

CONTENTS

No. 1

	PAGE
Studies on the Bacteriostatic and Bactericidal Action of Streptocycline on <i>Xanthomonas oryzae</i> —K. S. Shetty and G. Rangaswami	1
A Study of Vitamin K Deficiency in Experimental Rats—G. N. Subba Sastry	6
Inheritance of Flowering Duration in Rice—C. V. Dhulappanavar and S. W. Mensinkai	12
Electro-cardiogram in a Cardiac Disorder in Cattle—T. P. Suresh, T. R. S. Rangachar and V. Ravivarma Hegde	17
The Effect of Heat Stress on Growing Chickens with Reference to Certain Physiological Factors—D. V. Subaschandian	23
Studies on Phenotypic and Genotypic Variation in Ragi (<i>Eleusine coracana</i>)—C. Kempanna and D. K. Tirumalachar	29
A Comparison of the Circulus Arteriosus of <i>Bos indicus</i> and <i>Bos bubalis</i> —K. Trivikrama Rao, K. Dayalu and G. B. Puttanniah	35
Studies on Reproduction in Jersey Cattle—A. V. Rai	38
Preliminary Studies on the Incidence of Shootfly on Hybrid Jowar Under Differential Sowings—S. Usman	44

Research Notes

Diallel Cross Analysis of Grain Yield and Some Related Characters of Pearl Millet (<i>Pennisetum typhoides</i> Stapf and Hubb.)—M. Mahadevappa	49
A Record of Natural Enemies of <i>Ferrisia virgata</i> Ckll. in Madhya Pradesh (India)—R. R. Rawat and B. N. Modi	51
Effects of Irradiation on Seedlings of Methi (<i>Trigonella foenum-graecum</i>)—J. V. Goud and K. Muraleedharan Nayar	53
Preliminary Studies on Toxicity of Ronnel-Dow ET 57 in Sheep—A. Malaki and A. Jilek	56
Preliminary Studies on the Effect of Single and Combined Treatments of X-rays and Gibberellic Acid on the Growth of Rice and Tomato Seedlings—Smritimoy Bose	58

No. 2

	PAGE
A Study of the Bionomics of <i>Lymantria ampla</i> Wlk. (Lymantriidae: Lepidoptera)—G. K. Veeresh and M. Puttarudraiah ..	61
Interaction between Cockrels Treated with Testosterone and Untreated Cockrels when Housed Together—T. Seenappa and P. G. Muthanna	70
Red Soils of Mysore State: Soil Profile Characteristics—H. C. Parvathappa and D. J. Durairaj	77
Effect of Initial Soil Moisture and Temperature on Volatile Losses of Ammonia with the Application of Urea to Soils—V. C. Baligar and S. V. Patil	85
Agricultural Growth Rates in Mysore State—K. P. Srinath and K. S. Ahalya	93
Mineralogy of Fine Sand Fraction in Mysore Malnad Soils—D. S. Kulkarni	100
Effect of Thiamine on Growth of Roots of <i>Dolichos biflorus</i> and <i>Eleusine coracana</i> —K. S. Krishna Sastry and K. M. Appaiah ..	106
Water-stable Aggregates in Some Mysore Soils—T. G. Bhadrapur, N. G. Perur and K. R. Kulkarni	111
Efficacy of Modified Cuboni Test for Pregnancy in Mares and Its Utility under Varied Conditions of Urine Preservation—V. Ravivarma Hegde, T. R. S. Rangachar and T. P. Suresh ..	118
Possible Occurrence of Tungro and Yellow Dwarf Viruses on Rice in Mysore—H. C. Govindu, H. M. Harris and R. C. Yarguntaiah	125
A Comparative Study of <i>Haemonchus contortus</i> of Sheep and Goats—N. S. Krishna Rao, N. Sundararaj and S. Abdul Rahman	128
The Uptake of Nutrients by Ragi (<i>Eleusine coracana</i>)—T. Sadasivaiah and P. Ambadasa Rao	133

Research Notes

Effect of Fertilizers and Amendments on the Tilth of Hebbal Sandy Loam Soil—N. G. Perur	141
Observations on Downy Mildew of Jowar (<i>Sorghum vulgare</i>)—S. B. Puranik, R. S. Deshpande and R. Parameswarappa ..	143

	PAGE
Effect of Colchicine on <i>Centaurea moschata</i> L. II. Studies on the C ₂ Generation Plants—S. Bose and D. Mukherjee ..	144
Studies on the Effect of Plant Growth Regulators on the Rooting of Air Layers of <i>Dracaena rosea-ferrea</i> L.—N. C. Hulamani, G. S. Sulikeri, H. V. Pattanashetty and S. D. Kololgi ..	147
Interrelationship between Tuberisation, Flowering and Fruit Formation in Potato—S. R. Parvatikar ..	150

No. 3

Effect of Soil Temperature on Growth and Phosphorus Content of Corn Seedlings—Gururaj Hunsigi ..	153
Effect of Different Phosphatic and Nitrogenous Fertilizers on Growth and Uptake of Phosphorus by Wheat—Subhas Gumaste and S. V. Patil ..	153
Rainfall Probabilities and Crop Planning for Dry Ragi—B. V. Surendranatha Baliga and P. C. Sridharan ..	170
The Number and the Relation between Measurements of Successive Larval Instars of the Rice Moth, <i>Corcyra cephalonica</i> Stainton (Galleridae, Lepidoptera)—S. Usman ..	182
The Reliability of Rainfall during Crop-growing Season in Mysore State—Bangalore and Kolar Districts—E. V. Murali Mohana Rao and B. V. Ramana Rao ..	193
Physiological Sources of Variation in Wheat Yield: Varietal Analysis of Yield Structure—K. Krishnamurthy ..	206
Bovine Mastitis Due to <i>Pseudomonas pyocyanea</i> —R. Raghavan, R. D. Nanjiah, R. F. Patil and A. S. Upadhye ..	214
Arthritis in Chickens Due to <i>Staphylococcus aureus</i> —S. Krishna-swamy, A. S. Upadhye, R. D. Nanjiah and R. F. Patil ..	219
Consumptive Use of Water by Berseem (<i>Trifolium alexandrinum</i>) in Relation to Its Bulk of Growth Under Non-limiting Soil Moisture Supply—G. N. Kulkarni and N. G. Dastane ..	226
Inheritance of Sex Character in Castor (<i>Ricinus communis</i> Linn.)—S. S. Sindagi ..	230

Research Notes

Studies on Laboratory Evaluation of Fungicides and Antibiotic on <i>Helminthosporium nodulosum</i> Berk. and Curt.—R. K. Hegde and N. Shivanandappa	237
A Note on <i>Leptomastix nigrocoxalis</i> Comp. as a Parasite of <i>Centroccocus insolitus</i> Green—R. R. Rawat and B. N. Modi ..	239
Redox Potential of Water-logged Soils—N. G. Perur and B. R. Hegde	242
Inter-varietal Crosses in Rice (<i>Oryza sativa</i> L.)—S. Bose and D. N. Chudhuri	245
Effect of Bordeaux Mixture Spray on Fruit Set in Coffee (<i>Coffea arabica</i> L.)—B. S. Puttaswamy Gowda and J. C. Joshi ..	247

No. 4

Studies on Nitrogen Mobilisation Through Phosphate Fertilising of a Legume in the Bangalore Red Soil—B. V. Venkata Rao and T. Sadasivaiah	251
Studies on the Effect of Heavy Doses of Phosphate Fertilizer Application on the Soil and Rhizosphere Microflora of Sunn-Hemp (<i>Crotalaria juncea</i> L.)—K. Shivappa Shetty and G. Rangaswami	257
Studies on Growth Response to Fertilizer Application in Two Ragi Varieties—B. V. Venkata Rao and T. Sadasivaiah ..	267
Effect of Heavy Doses of Ammonium Sulphate on the Microflora of Soil and the Rhizosphere of Ragi (<i>Eleusine coracana</i> Gaertn.)—D. Joseph Bagyaraj and G. Rangaswami	273
<i>In vitro</i> Effect of Some Fungicides on <i>Helminthosporium oryzae</i> and <i>Helminthosporium corbonum</i> —N. Shivanandappa, R. K. Hegde and H. C. Govindu	280
Effect of Acclimatization—Haematological Studies in Red Danes—T. R. S. Rangachar, T. P. Suresh and V. Ravivarma Hegde ..	285
Studies on <i>Rodolia fumida</i> Muls. (Coccinellidae: Coleoptera) as a Predator of <i>Perissopneumon tamarindus</i> (Green) in Madhya Pradesh—R. R. Rawat and B. N. Modi	294
Variations in Sucrose and HCN Contents, and Their Relationship in <i>Sorghum vulgare</i> Pers.—S. S. Sindagi	298

	PAGE
Genetic Variability for Yield and Its Contributing Characters in Some Long Staple Cottons of <i>Gossypium hirsutum</i>—B. S. Naidu and B. H. Katarki	308
Varietal Behaviour of Ragi to the Ragi Mosaic Virus—Delhi Isolate —R. C. Yaraguntaiah and H. C. Govindu	316
Conservation of Buffalo Semen at Room Temperatures in Coconut Milk Extender (CME)—Charles Norman, N. H. Joshi, C. K. Abdulla Khan and A. Vishwanatha Rai	321
Quantitative Assessment for Nutritive Quality of <i>Eleusine coracana</i> (Finger Millet or Ragi)—C. Kempanna and B. N. Kavallappa	324

Research Notes

Chiasma Frequencies in <i>Corchorus urticaefolius</i> W & A, <i>C. siamensis</i> Craib and <i>Corchorus</i> sp. (from Mozambique), All Wild Jute Species—R. M. Datta and (Miss) P. Mukherjee	330
Comparative Performance of Pelofos and Other Phosphatic Fertilizers on Hebbal Red Sandy Loam Soil—T. Sadasivaiah ..	331
Some Observations on the Feeding Habits of the Wasp, <i>Vespa cincta</i> Fabr. (Vespidae: Hymenoptera)—T. S. Thontadarya ..	333
A Note on <i>Hadronotus antestiae</i> Dodd (Scelionidae: Hymenoptera) as an Egg Parasite of <i>Clavigralla gibbosa</i> Spinola, the Tur Pod Bug—R. R. Rawat and K. N. Kapoor	335
Mode of Egg-Laying in <i>Perigrinus maidis</i> (Ashmead) (Araeopidae: Homoptera)—T. S. Thontadarya and G. P. Channa Basavanna ..	338
A Note on Plant Parasitic Nematodes of Cotton in Mysore State —P. Parvatna Reddy and K. G. H. Setty	339
On Two New Hosts of <i>Alternaria tenuis</i> in Mysore State—K. A. Lucy Channamma and G. Rangaswami	342
